KSC Federal Credit Union Announces BALANCE Partnership

*Financial Fitness Program to Provide
Counseling and Education to KSCFCU Members*

Merritt Island, Florida (June 25, 2008)

KSC Federal Credit Union is pleased to announce its partnership with BALANCE Financial Fitness. "We are excited about the possibilities this program provides for members from answering a question understanding your credit report, to helping decide which mortgage product is most advantageous, to helping develop a workable budget to meet financial goals – and all at no cost to members" explains Janice Hollar, President and CEO of KSCFCU.

San Francisco-based BALANCE provides financial education and counseling programs to partnering credit unions nationwide. Services include money management and housing counseling, a debt repayment plan, credit report review, and a toll-free information line - all free to members.

"Our partnership with BALANCE provides our members with accurate information from certified consumer credit counselors, confidentially, and at their convenience through a toll free phone call. The information members call about is not shared with anyone, including the credit union, unless the member requests it" says Ms. Hollar.

KSC Federal Credit Union is committed to providing the highest level of service, products and affordable rates for members. The credit union continues to receive the highest ratings for financial soundness. The introduction of the BALANCE program into our suite of products and services is a proactive measure to help members and employees handle difficult situations and plan for the future.

A BALANCE workshop focusing on "Building A Better Budget" will be held Tuesday, August 5th from 5:30 p.m. to 7:00 p.m. at the Merritt Island branch located at 415 Fortenberry Road and at the South Daytona branch located at 2290 S. Ridgewood Avenue. Anyone interested in gaining knowledge of how to better budget their finances is welcome to attend. Please RSVP to 321-455-9400 x1204 by August 1st.
