## **KSC Federal Credit Union Hosts Successful Blood Drive**

Merritt Island, Florida (April 30, 2008)

KSC Federal Credit Union members are getting used to seeing The Big Red Bus at its branches across Brevard and Volusia counties. Most recently, the Merritt Island branch of KSCFCU hosted a blood drive to assist Florida's Blood Centers during a critical blood shortage. Credit union members, credit union employees, and several people just passing by stopped and took time to fill the need. "We had a terrific turn out to donate much needed blood. We are very proud of our employees and members who stopped by and rolled up their sleeves," stated Janice Hollar, President and CEO of KSCFCU. Even employees from surrounding businesses spotted the Big Red Bus and walked across the street to donate. In all, 24 units of blood were donated, which could save 72 lives.

Kennedy Space Center Federal Credit Union is a full service community credit union currently with twelve branch locations throughout Brevard and Volusia counties. Membership is open to all who live, work or worship in Brevard or Volusia.
