Kennedy Space Center Federal Credit Union is proud to announce the opening of its new Rockledge branch. The branch formally opened August 24th in the Tradewinds Shopping Plaza on Barnes Boulevard. This is KSCFCU's twelfth branch.

Grand opening celebrations included a live radio remote with Lite Rock 99.3 FM's morning DJ Michael W. Lowe, free food, drinks, gifts to the first 200 people, and a grand prize drawing of a Dell laptop computer. More than 500 people visited the branch on Grand Opening Day for their chance at the computer giveaway and to check out the new branch.

Branch Supervisor Sharon Callahan was thrilled with the number of people who stopped by for our Grand Opening last week. "We hoped many people would come see our new branch, but we never expected such a great turnout" said Callahan. "We are eager to help the Rockledge, Viera and Cocoa communities with their financial needs – and you don't have to work at the space center to join! We've already met many new members as they joined, greeted long-time members and old friends, and anticipate making many more new friends. Please stop by and have a cup of coffee!"

Kennedy Space Center Federal Credit Union is a full service community credit union currently with twelve branch locations throughout Brevard and Volusia counties. Membership is open to all who live, work or worship in Brevard or Volusia. For more information on Kennedy Space Center Federal Credit Union, please visit www.kscfcu.org or call (321) 455-9400.
