Kennedy Space Center Federal Credit Union Hosting School Supply Drives At All Branches

Merritt Island, Florida (July 16, 2008)

For the second year in a row, Kennedy Space Center Federal Credit Union is hosting a school supply drive at each of its twelve locations throughout Brevard and Volusia Counties. The supply drive began July 14th and runs through August 15th.

The employees at each branch have rolled up their sleeves and turned plain cardboard boxes into creatively decorated old fashion school houses, bright yellow school buses and other fun designs for credit union members and visitors to drop their donations into. People are encouraged to donate needed school supplies such as pencils, paper, crayons, folders, rulers, tape, zip lock baggies and more. All school supplies collected will benefit area schools in Brevard and Volusia counties.

“We are very excited to be helping our schools with this supply drive again this year” says Kelly Haskins, AVP Marketing for KSC Federal Credit Union. “We will hand deliver all the school supplies collected to area schools as the school begins for the 2008-2009 school year, so that teachers will have extra supplies on hand for students who may not come prepared. It’s about helping the community, and that’s what we’re all about.”

Kennedy Space Center Federal Credit Union is a full service community credit union with twelve branch locations throughout Brevard and Volusia counties. Membership is open to all who live, work or worship in Brevard or Volusia. For more information on Kennedy Space Center Federal Credit Union, please visit www.kscfcu.org or call (321) 455-9400.
