Kennedy Space Center Federal Credit Union is encouraging and rewarding students in Brevard and Volusia counties who study and earn top grades. Knowing how important it is that students achieve the highest success possible, KSC Federal Credit Union has begun a new program called “**A-Positive Future**”, an incentive for students to achieve the highest marks on their semester report cards.

“Beginning in 2008, we will reward students in grades K-12 for each “A” on their fall and spring semester report cards,” reports Kelly Haskins, AVP Marketing for KSC Federal Credit Union. “For each “A” they receive as a final semester average, they will be able to receive an entry into a drawing at any KSC Federal Credit Union branch. The more “A’s” they receive, the more entries into the drawings! Younger students who do not earn letter grades can show us their report card with final “O” averages to enter the drawings.” Students may enter their report card only one time per semester. A random drawing from all entries received by February 15, 2008 for the fall semester, and by July 15, 2008 for the spring semester will be held, for great prizes like a \$50 savings bond, an I-Pod Nano, or the grand prize of a laptop computer.

To enter the drawings, the student must have a savings account at KSC Federal Credit Union. Any student in Brevard or Volusia County can open a savings account. KSCFCU will even waive the \$5.00 membership fee. (A \$25 minimum balance is required at all times.) Checking Accounts are available to members ages 16 and 17 with a parent or guardian as a joint owner and are subject to approval. Students receive quarterly newsletters with their statement packed with financial information geared to their age group.

“Having a savings account is a great way for students to learn to save money for their future, while they’re studying and making great grades for their future, too!” says Haskins.

Kennedy Space Center Federal Credit Union is a full service community credit union with twelve branch locations throughout Brevard and Volusia counties. Membership is open to all who live, work or worship in Brevard or Volusia. For more information on Kennedy Space Center Federal Credit Union, please visit www.kscfcu.org or call (321) 455-9400.
